4.3 image on a 16:10 screen

There is 3% tolerance among these numbers due to optical component variations. It is recommended that if you intend to permanently install the projector, you should physically test the projection size and distance using the actual projector in situ before you permanently install it, so as to make allowance for the projector’s optical characteristics. This will help you determine the exact mounting position so that it best suits your installation location.
Final Declaration of Conformity
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Declaration of Conformity for European Countries
This product complies with the requirements of the Low Voltage Directive 2014/35/EU and the EMC Directive 2014/30/EU.

CE Marking Information
This product is marked with the CE mark in accordance with the requirements of the relevant EU Directives and the corresponding harmonized standards.

Declaration of Conformity for countries outside the EU
This product complies with the requirements of the Low Voltage Directive 2014/35/EU and the EMC Directive 2014/30/EU.

R&TTE Declaration
This product is marked with the CE mark in accordance with the requirements of the R&TTE Directive 1999/5/EC.

Declaration of Conformity for Australia
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Declaration of Conformity for the USA
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Declaration of Conformity for Canada
This device complies with the ICES-003 Class B emission requirements.

Declaration of Conformity for Singapore
This device complies with the Singapore ITIC Class B standard.

Declaration of Conformity for the Republic of Korea
This device complies with the ITU-R Recommendation M.500-11.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Russia
This device complies with the GOST R standard.

Declaration of Conformity for Japan
This device complies with the VCCI Class B standard.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.

Declaration of Conformity for Brazil
This device complies with the National Telecommunications Agency (ANATEL) regulations.

Declaration of Conformity for South Africa
This device complies with the South African National Standards (SANS).

Declaration of Conformity for New Zealand
This product complies with the New Zealand Telco Authority regulations.

Declaration of Conformity for India
This product complies with the requirements of the Indian Bureau of Indian Standards (BIS).

Declaration of Conformity for China
This product complies with the GB4943-2001 standard.
