Supplier Energy Management Performance Report

December 2023

Background Information

ViewSonic has been certified with both social accountability standard – Social Accountability (SA) 8000, Occupational Health and Safety Management System ISO 45001 and Environmental Management System – ISO 14001, 50001. We are dedicated to respecting human rights, protecting the environment, continually enhancing our ESG oversight, and promoting these values in the international community. To ensure a level of understanding of the risks of modern slavery and human trafficking in our supply chains and our business, we provide training to our staffs, with a focus on new hire orientation on our anti-slavery policy. We expect our suppliers to be certified and/or conformed in accordance with internationally recognized third-party standards.

Please check RESPONSIBLE SUPPLY CHAIN section of our CSR report for details.

Supplier Performance

To improve energy use in our supply chain, we encourage all suppliers to be compliant and certified with ISO 50001 from 2021. All our 10 Monitor and Signage Display suppliers are certified with ISO 50001: 2018 in 2023 as below table.

Suppliers	Third party certification	Geography	City	Province	Certificate No.
A	ISO 50001:2018	China	Suzhou	Jiangsu	00121En20204R1M/3200
